A meeting was held of the Board of Education of the School District No. 17, in the County of Douglas in the State of Nebraska. This meeting was convened in open and public session at 7:00 p.m., Monday, April 23, 2007, at the Don Stroh Administration Center, 5606 South 147th Street.

PRESENT: Brad Burwell, Jean Stothert, Mike Pate, Dave Anderson and, Linda Poole

ABSEBT: Mike Kennedy

Notice of this meeting was given in advance thereof by publication in the Daily Record on, April 20, 2007; a copy of the publication is being attached to these minutes. Notice of this meeting was given to all members of the Board of Education and a copy of their Acknowledgment of Receipt of Notice and the agenda are attached to these minutes. Availability of the agenda was communicated in advance notice and in the notice of the Board of Education of this meeting. All proceedings hereafter shown were taken while the convened meeting was open to the attendance of the public.

At 6:55 p.m. Brad Burwell opened the public hearing on Policy 6750 and Rule 6750.1 in regards to student fees.

Board members present included Brad Burwell, Jean Stothert, Mike Pate, Dave Anderson and Linda Poole. Mike Kennedy was absent.

There were no questions from the community on the policy and rule.

Motion by Dave Anderson, seconded by Jean Stothert, to adjourn the public hearing. Upon roll call vote, all members voted aye. Motion carried.

At 7:00 p.m. Mr. Burwell announced the Public meeting Act is posted on the wall and available for public inspection. Mr. Burwell asked everyone to say the Pledge of Allegiance.

Roll call was taken and board members present included Brad Burwell, Jean Stothert, Dave Anderson, Mike Pate, and Linda Poole. Mike Kennedy was absent.

Motion by Jean Stothert, seconded by Dave Anderson, to excuse Mike Kennedy from the meeting. Upon roll call vote, all members voted aye. Motion carried.

Motion by Dave Anderson, seconded by Jean Stothert, to approve the Board of Education minutes of April 2, 2007, Special Board of Education minutes April 9, 2007, to approve the bills, and receive the Treasurer's Report and place on file. Upon roll call vote, all members voted aye. Motion carried.

Jean Stothert summarized the Committee of the Whole meeting on April 9, 2007. The topics that were discussed included Policy 3150 on fundraising, World Languages, and a pilot on teacher evaluation.

Showcase highlighted state winners in swimming and wrestling.

Employees of the Month for April were Michelle Johnson, special education resource teacher at Millard South High School and Connie Vlcek, secretary in the office of Pupil Services at the Don Stroh Administration Center.

Superintendent's Comments:

1. The second Monday in May is usually when we hold the budget retreat. This can be done either by meeting during the morning, which some people may have trouble with, or start at around 4:30 or 5:00 p.m.
2. The Millard Business Association Gala will be held on May 10, 2007 at the Marriott. The Millard Public Schools has been nominated for Millard Large Business of the Year. Board members were invited to attend.

3. Last Friday there was a meeting with the Speaker of the Legislature, Senator Raikes, Senator Ashford, and Senator Kopplin and talked about the Education Committee's business for two and a half hours. Each Superintendent had an opportunity to voice concerns. The boundary language seems to be secure at this time. There was language in there a couple of weeks ago that 5% had to be reserved enrollment in every building for students outside of the attendance area, starting with free and then reduced lunch students. Also included attendance boundaries at every middle school and high schools would be redrawn each year to ensure equal balance in enrollment with no regard to growth that would be assigned to those particular buildings. Those items have been successfully eliminated for right now. The big parts that are of concern is the ESU super board which would control the common levy, common building fund levy, all core service money, that goes through ESU, which is substantial for Millard, but there would increase funding into it, but when asked, nobody there really knows what the financial impact is. Other parts in the bill includes an Ombudsman, and that would be one for the entire Learning Community; and also the voluntary integration plan. Millard is pushing hard to maintain our ability to control inter-district transfers within our own district, which looks like that will be accomplished. The group will meet with the Speaker, Senator Raikes and others on May 8th, 2007.
4. After the meeting with the Speaker a group met with the Governor. The Governor doesn't like Sarpy County in it, the ESU, and the common levy. There are five long weeks to go.
5. On Tuesday morning there will be a meeting with the other Superintendents, and Senator Kopplin to come up with strategies as to alternative plans.
6. Last week at the National School Board Association Convention Linda Poole was selected as the representative of Midwest region, which includes nine states. Kudos to Linda and for the State of Nebraska to have somebody sitting on the National Board.
7. According to the calendar, that has been approved by the Board, and taking into consideration of the three snow days the official last day of school will be on Wednesday, May 30, 2007, which will be a half day.
8. The last PTO Advisory Group meeting will be held on Thursday, April 26, 2007 at 7 p.m. at the Don Stroh Administration Center. The topics will be fundraising, legislation, and the non-traditional high school

Board Comments:

Mike Pate reminded everyone that the Millard Public Schools Hall of Fame Banquet will be held on Friday, May 11, 2007 at the Qwest Center. Scholarship winners and grant recipients will be honored at this dinner. This function is open to everyone, and if you wish tickets contact Gary Steiner at the Foundation Office. On Friday, June 11, 2007 is the Foundation Golf Tournament and community members should contact Darold Bauer at the Foundation if they wish to golf.

Mr. Pate announced that he would attend the Millard Business Association Gala on May 10, 2007.

Linda Poole said she preferred that the budget retreat meeting start in the early evening.

Mrs. Poole said she attended the National School Boards Association Convention, and her favorite speaker was Erin Gruwell, who was the teacher the movie Freedom Writers was about. She had with her one of her students, who also spoke.

Mrs. Poole said she attended a session on the International Baccalaureate program. It was interesting to hear how the elementary, middle and high school IB program work together in a school district of similar size to Millard. She will forward this good information on Educational Services.

Mrs. Poole reported that she will be one of 15 people who sit on the National School Boards Association board. After the convention was over Mrs. Poole said she attended her first board meeting with the National School Boards Association. At this first meeting there were committee assignments, which she was assigned to three, and the rest of the meeting was to plan for the year. She said she would keep board members informed about the future meetings.

Jean Stothert said either time would work for her in regards to the budget retreat.

Mrs. Stothert informed everyone that the Metropolitan Area Boards of Education group will begin meeting again. The first meeting took place when she was attending the National School Boards Convention. She will keep the board informed when the meetings take place.

Mrs. Stothert thanked the district for the educational opportunity to attend the National School Boards Association Convention. The convention is always a good learning experience, and a great time to see many other board members passionate about education all together.

Dave Anderson attended the National School Boards Convention, which he enjoyed. He said he followed the new board member track, and enjoyed comparing notes with other board members.

Mr. Anderson said he will attend the Millard Business Association Gala, and he prefers the later time for the budget retreat.

Mr. Anderson congratulated Linda Poole for her position on the National School Boards Association Board of Directors. He said what a great thing for the Millard Schools to have someone on the national board to give direct representation.

Mr. Anderson said he read the article in the newspaper about the Building Bright Futures program, and he hoped Millard would be involved in some way.

Brad Burwell said he would attend the Millard Business Association Gala, the Foundation Hall of Fame banquet, and either time would be alright with him for the budget retreat.

Mr. Burwell congratulated Mrs. Poole on the national board. She is well deserving of this national honor and does bring recognition to the school district. He said with all of the hard work she has done on the Nebraska Association of School Boards Board of Directors she is very deserving of this new position. She will represent children at the national level well, and will speak on behalf of Nebraska.

Mr. Burwell said he enjoyed President Clinton's address on childhood obesity and health. He said he attended a session on the learning gap being related to health issues.

Mr. Burwell thanked the school district and the people of Millard for allowing the board members to attend this meeting. It is an educational development opportunity for all board members.

Jordan Carroll, student representative from Millard West High School, and Corinne Wardian, student representative from Millard South High School reported on their school related activities in academic and athletics.

Dave Anderson provided the final reading of Policy 3811 – Support Services – Transportation – Students – Regular Education. Motion by Dave Anderson, seconded by Mike Pate, to approve Policy 3811 – Support Services – Transportation – Students – Regular Education. Upon roll call vote, all members voted aye. Motion carried.

Jean Stothert provided the final reading of Policy 3812 – Support Services – Transportation – Students – Special Education. Motion by Jean Stothert, seconded by Linda Poole, to approve Policy 3812 – Support Services – Transportation – Students – Special Education. Upon roll call vote, all members voted aye. Motion carried.

The Office of the Superintendent may accept on behalf of and for the school district any bequest or gift of money or property for a purpose deemed to be suitable, and to utilize such money or property so designated.

The Office of the Superintendent shall set up criteria to be met in the acceptance of gifts, and the procedure for examining and evaluating offers of gifts to the district.

All gifts shall be given to the school district as a whole. At the discretion of the Office of the Superintendent, the gift may be accepted and used in a particular school. However, such action shall be reported to the Board of Education.

Administrators at the District or building level may apply for grant funding for projects or programs that are consistent with objectives of the District's strategic plan or the building's site plan. Any application that would (1) impact the data network or storage of data, (2) impact the HVAC or electrical systems, (3) increase the time of custodial or grounds personnel, (4) require the renovation or alteration of any of the District's facilities, grounds, or equipment, or (5) impact any other aspect of the District's programs and/or services shall require the approval of the appropriate administrator(s) for the division(s) impacted. Additionally, if the proposed application would require any commitments (financial, personnel, or otherwise) from the District, the application shall require approval from the Superintendent (or his/her designee).

Rule: Gifts, Grants and Bequests

3235.1

To be acceptable, a gift, grant, or bequest must satisfy the following criteria:

- I. Have a purpose consistent with those of the ~~school~~ District
- II. ~~Would not~~ Not bring undesirable or hidden costs to the ~~school-system~~ District
- III. ~~Will place~~ Place no restrictions on the school program
- ~~IV. Will not be inappropriate or harmful to the best education of pupils~~
- IV. Not deter the best instructional practice of students
- ~~V. Will not~~ Not imply endorsement of any business or product
- ~~VI. Will not~~ Not be in conflict with any provision of ~~the school code~~ District rules or public law

Approval for grant proposal/application submission must be obtained through the Grants Office at least eight weeks prior to the grant proposal/application deadline. If notification of a new grant opportunity is announced by the funding source allowing less than eight weeks, the administrator and/or teacher responsible for the proposed project or program may request a possible exception from the Grants Coordinator.

To obtain approval, the administrator and/or teacher responsible for the proposed project or program must first submit an Executive Summary to the Grants office on the Major Grant Submission Approval form. The Grants Coordinator will work with the administrator and/or teacher in charge of the proposed project as necessary on obtaining the appropriate signature(s).

After submission approval has been obtained, the administrator and/or teacher of the proposed project must establish a committee to develop a project or program plan and develop a draft narrative and budget.

Grant funding shall be used by the School and/or the District only as specified in the proposal, funding award notification, and/or applicable state and federal law unless prior approval has been obtained in writing from the funding source.

All gifts, ~~grants~~ and bequests shall become school district property.

AGENDA SUMMARY SHEET

AGENDA ITEM: Approval of the Contract for High School Trainers with Alegent Health

MEETING DATE: May 7, 2007

DEPARTMENT: Human Resources, Activities and Athletics

TITLE AND BRIEF DESCRIPTION: Contract for High School Trainers with Alegent Health

The contract being recommended for approval states that Alegent Health would be the provider and employer of our high school trainers. The wording of the contract was provided by Duncan and White, which incorporated language recommended by Harry Koch. The wording is similar to the past contract involving the provider for our high school trainers. The current contract is completing its third year and a determination was made to review the contract and seek proposals from interested providers.

ACTION DESIRED: Approval X

BACKGROUND: The contract recommended for approval changes the provider of our trainer services from Nebraska Medical Center to Alegent Health. Nebraska Medical Center will no longer be handling high school trainers' contracts with schools and district; they have turned this service over to Nebraska Orthopaedic hospital, which will maintain a connection with Nebraska Medical Center. Two companies returned our requests for proposals: Alegent Health and Nebraska Orthopaedic Hospital.

The members of the committee to which both companies presented their proposals for the high schools were Craig Whaley, District Director of Activities and Athletics; Nolan Beyer, Assistant Principal at Millard South High School; and Steve Joekel, Assistant Principal at Millard West High School. Mr. Whaley also had a separate discussion with each provider regarding the potential for each provider to supply Millard Public Schools with trainer services at each middle school. A copy of the information requested from each company for the presentation is included in this information packet.

The committee allotted a total of ninety minutes per company for the presentation and questioning session. After presentations by both companies, the committee members individually determined which company should be recommended to the district for the training contract. Based upon the information provided at the presentation, the answers to questions asked by the committee, and any knowledge that committee members had regarding each company, the committee members individually selected Alegent Health as

the recommended provider of training services. The committee discussed the selection and agreed to move forward with the recommendation. This recommendation was discussed with the Director of Employee Relations, Steve Moore, and is now presented to the Board of Education for approval.

OPTIONS/ALTERNATIVE CONSIDERATIONS: One option could be to approve Nebraska Orthopaedic Hospital as the provider of training services at the high schools. A second option could be to discuss with Nebraska Medical Center and/or Nebraska Orthopaedic Hospital the possibility to maintain the provisions of the current contract. A third option could be to repeat the requests for proposals. A fourth option could be to eliminate the use of any provider and have the district take on all the responsibilities of providing training services.

RECOMMENDATIONS: After review by the Board of Education, approval of the contract with Alegent Health to provide training services for our high schools.

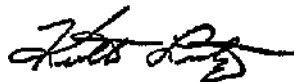

STRATEGIC PLAN REFERENCE: N/A

IMPLICATIONS OF ADOPTION OR REJECTION: With adoption, training services to the high schools continue to be provided by an outside vendor with the possibility that training services may be extended to the middle schools in the near future. With rejection, the district would need to consider the options stated above (as well as other options not mentioned) in order to ensure training services for our high schools.

TIME LINE: The contract would begin effective August 1, 2007, with Alegent Health providing sports physicals during the summer of 2007 at the rate agreed to in the contract.

PERSONS RESPONSIBLE: Steve Moore, Director of Employee Services (this is currently a Human Resources contract document) and Craig Whaley, Director of Activities and Athletics

SUPERINTENDENT'S APPROVAL:

ATHLETIC TRAINER AGREEMENT

THIS ATHLETIC TRAINER AGREEMENT ("Agreement") is made and entered into this _____ day of August /, 2007 by and between Alegent Health, a Nebraska non-profit corporation ("Alegent") and Douglas County School District No. 17, which is also commonly known as the Millard School District ("School").

WHEREAS, School has established an athletic program as part of its educational mission and in connection therewith is desirous of receiving the services ("Basic Services") of athletic trainers ("Trainers"); and

WHEREAS, Alegent has in its employ, or otherwise under contract to it, Trainers who are willing to provide certain services with respect to athletic training and other enhancements to School's athletic programs as well as supplying services of physicians ("Physician's Services") all as specified in this Agreement (the Basic Services and the Physician's Services are collectively referred to as the "Services").

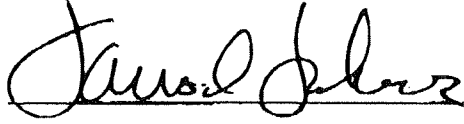

NOW THEREFORE, in consideration of the foregoing and the mutual promises hereinafter contained, School and Alegent agree as follows:

1. Alegent has in its employ, or under contract to it, Trainers who are licensed pursuant to Neb. Rev. Stat. §71-1238 et seq. ("Act") as amended ("Certified Trainers"). Certified Trainers shall furnish the Basic Services under this Agreement subject to the scope of practice limits of Certified Trainers imposed by the Act. The Basic Services to be furnished are those specified on Exhibit "A" hereto.
2. Alegent has in its employ, or under contract to it, physicians who are licensed to practice medicine in the State of Nebraska. The Physician Services are those specified on Exhibit "A". If athletic physical examinations are to be furnished hereunder pursuant to Exhibit "A", Alegent will provide, as appropriate, male and female physicians at a location and time determined by Alegent for the purpose of conducting athletic physical examinations and providing certain other coverage. All physicians furnishing Physician Services shall observe protocols with respect to the wearing of examination gloves and the like, as shall be established from time to time by Alegent. No physical examinations so conducted shall have as a component the collection of urine specimens.
3. The fees for the Services to be paid by School to Alegent are those specified on Exhibit "B" hereto. All fees collected from students by School shall be remitted to Alegent within thirty (30) days of the date of billing by Alegent to School, or at the request of the School, Alegent shall bill and collect from students of the School any fees associated with the Physician Services and may remit to School a service charge with respect to the overhead of the School with respect to Physician's Services.
4. In no event shall School have any duty or obligation to recommend or refer any student or to recommend or refer any patient to Physicians furnishing Physician Services or to Alegent,

and Alegent understands that it is the policy of School to refer students to his or her regular physician.

- 5. Nothing in this Agreement shall constitute Alegent or its physicians furnishing Physician's Services under this Agreement joint venturers or otherwise associated, except as provided in this Agreement.
- 6. If indicated on Exhibit "A", Alegent will assist School in the development of a student/trainer program. Supervision of Student/Trainers shall be the responsibility of School.
- 7. To the extent of its policies of insurance as provided in this paragraph, Alegent will indemnify and hold School harmless from and against any and all liabilities, claims and defenses arising from or relating to the Services and the actions of its agents, employees, and independent contractors. In connection therewith, Alegent agrees to carry, or cause to be carried (a) policies of general and professional liability insurance in amounts and with companies licensed to do business in the State of Nebraska and deemed necessary by it; (b) policies of medical malpractice insurance covering the Trainers for liability claims arising from their actions with companies licensed to do business in the State of Nebraska and in an amount deemed necessary by it but with a minimum coverage of at least \$2,000,000.00; and (c) workers' compensation insurance as prescribed by state workers' compensation laws.
- 8. To the extent of its policies of insurance as provided in this paragraph, School will indemnify and hold Alegent harmless from and against any and all liabilities, claims and defenses arising from or relating to its activities and those of its agents, employees, and independent contractors. In connection therewith, School agrees to carry, or cause to be carried, appropriate policies of general liability insurance and specific coverages as shall be necessary for sound business practices of School.
- 9. Either School or Alegent may terminate this Agreement upon submitting sixty (60) days written notice of termination to the other.

Athletic Trainer Agreement for the High Schools

Millard Public Schools seeks the following at minimum:

- The company (provider) to submit to the district the actual number of hours provided for trainer services, both on a monthly and annual basis.
- The cost associated with the following:
 1. 2700 hours of trainer services per school per year
 2. 2496 hours of trainer services per school per year (same as current contract)
 3. 1864 hours of trainer services per school per year
 4. 1600 hours of trainer services per school per year

- The company to submit to the district the minimum number of years that the company would commit to a contract between the provider and the district.
- The contract must include the following:
 1. a physician to be present at each home varsity football game
 2. a contact person at the company for the site athletic directors and trainers
 3. that the district reserves the authority to select the trainers (at this time the district would retain our current trainers, regardless of the provider)
 4. that the district reserves the authority to determine the hours of work and total number of work hours for each trainer
 5. that the company provide athletic physicals for our students at a reduced rate with some reimbursement to each schools' activities account
 6. the provision of a sports injury clinic
 7. that the trainers at each school provide
 - a. game coverage for home games
 - b. game coverage for away games
 - c. training room coverage
 - d. coverage at tournaments
 - e. coverage at practices
 - f. first aid and emergency care
 - g. treatment of injuries (subject to physician supervision and modality limitations)
 - h. injury assessment
 - i. injury reporting
 - j. development of a student trainer program

(Current contract includes the above items)

- The company to submit to the district other services to be provided in the contract.
 - a. provision of physical therapy services for athletes, including modalities
 - b. other services provided by the company
- If required by the district, that the company (provider) present its proposal to the district prior to any selection made by the district. The district may ask questions about the proposal at this presentation.
- The preference of the district is that the trainers remain employees of the provider (added by telephone contact with each of the providers prior to presentations).

Athletic Trainer Agreement for the Middle Schools (separate proposal from the high schools):

Millard Public Schools seeks the following at minimum

- The company (provider) to submit to the district the actual number of hours provided for trainer services, both on a monthly and annual basis.
- The cost associated with the following:
 1. 770 hours of trainer services per school per year
 2. 682 hours of trainer services per school per year
- The company to submit to the district the minimum number of years that the company would commit to a contract between the provider and the district.
- The contract must include the following:
 1. a contact person at the company for the site athletic directors and trainers
 2. that the provider would select the trainer for the middle school, subject to a background check by the district before services commence
 3. that the district reserves the authority to determine the hours of work and total number of work hours for each trainer
 4. that the company provide athletic physicals for our students at a reduced rate with some reimbursement to each schools' activities account
 5. the provision of a sports injury clinic
 6. that the trainers at each school provide
 - a. game coverage for home games
 - b. coverage at tournaments
 - c. coverage at practices
 - d. first aid and emergency care
 - e. treatment of injuries (subject to physician supervision and modality limitations)
 - f. injury assessment
 - g. injury reporting
 - h. trainers' kit for each trainer
- The company to submit to the district other services to be provided in the contract.
- If required by the district, that the company (provider) present its proposal to the district prior to any selection made by the district. The district may ask questions about the proposal at this presentation.
- The preference of the district is that the trainers remain employees of the provider (added by telephone contact with each of the providers prior to presentations).

Training Contract Proposals

Item For Consideration	Company Alegent Health	Company Nebraska Orthopaedic Hospital
Trainers are employees of the provider (currently in contract)	Yes	No
Cost to District	\$54,000 per year	None* *Company would provide an annual donation of \$100,000. From this donation all trainer stipends would be paid, as well as other potential expenses of the training program
Access to Physical Therapy Clinic	Yes	Yes
Sports Medicine Clinics	Yes	Yes
Cost of Sports Physicals	\$20.00 per physical	\$30.00 per physical (with \$5.00 per physical donated to MPS)
Suggested Length of Contract (from provider)	Three-Year	One Year with option of two one-year extensions
Direct Contact Person for High Schools/District	Yes- Korrine Schuster	Yes- TBD
On-site Physical Therapy availability for Student-Athletes	Yes- with contact to provider	Yes- with contact to provider
Potential for Training Services at Middle Schools	Yes (with potential to begin in the 2008-2009 school year)	Further discussion needed *trainer stipends for middle schools would come from the same \$100,000 annual donation
All items from previous contract (and contained therein)	Yes- with exception of reimbursement from each physical provided	Yes- with exception that trainers are employees of the provider

Harry A. Koch, Co (insurance) recommended that the district ensure that the following language is included in the contract for training services:

1. That Alegent and Millard Public Schools have a mutual waiver of liability for their actions that cause an injury.
2. That Alegent will certify that it carries, or cause to be carried, policies of general and professional liability insurance with companies licensed to do business in the State of Nebraska in amounts deemed necessary by the state of Nebraska.
3. That Alegent will certify that it carries, or cause to be carried, policies of medical malpractice insurance covering the trainers for liability claims arising from their treatment of patients with companies licensed to business in the state of Nebraska. The minimum coverage must be in the amount of at least \$2,000,000.
4. That Alegent will indemnify and hold Millard Public Schools harmless from and against any and all liabilities, claims, and defenses arising from or relating to the services.
5. That Alegent will certify that it carries workers' compensation insurance that covers Alegent's responsibility to compensate injuries, illnesses, disabilities or death of employees, as prescribed by state workers' compensation laws.
6. That Alegent will have employers' liability insurance that covers an employer's liability (Alegent) for bodily injury to trainers occurring within the scope of their employment when that liability is not covered by workers' compensation.

***These items are included in the contract as written and proposed. If the district were to accept the proposal from Nebraska Orthopaedic Hospital, numbers 3, 4, 5, and 6 would be the responsibility of the district (because trainers would be MPS employees in their roles as trainers). Any additional cost of these items would be covered by the annual donation of \$100,000.**

UNIFORM ATHLETIC TRAINER AGREEMENT

This Uniform Athletic Trainer Agreement ("Agreement") is made and entered into this 1st day of August, 2004 by and between The Nebraska Medical Center, a Nebraska non-profit corporation and the entity described on Exhibit "A" hereto ("School").

RECITALS

School has established an athletic program as part of its educational mission and in connection therewith is desirous of retaining the services ("Basic Services") of athletic trainers ("Trainers"). The Nebraska Medical Center has in its employ, or otherwise under contract to it, Trainers who are willing to provide certain services with respect to athletic training and other enhancements to School's athletic program as well as supplying services of physicians ("Physician's Services") all as specified in this Agreement. The Basic Services and the Physician's Services are collectively (the "Services").

NOW THEREFORE, in consideration of the Recitals, School and The Nebraska Medical Center agree as follows:

AGREEMENT

1. The Nebraska Medical Center has in its employ, or under contract to it, Trainers who are licensed pursuant to §71-1238 et. seq. R.R.S. 1943, ("Act") as amended ("Certified Trainers"). Certified Trainers shall furnish the Basic Services under this Agreement subject to the scope of practice limits of Certified Trainers imposed by the Act. The Basic Services to be furnished are those specified on Exhibit "A" hereto.
2. The Nebraska Medical Center has in its employ, or under contract to it, physicians who are licensed to practice medicine in the State of Nebraska. The Physician Services to be furnished are those specified on Exhibit "A". If athletic physical examinations are to be furnished hereunder pursuant to Exhibit "A", The Nebraska Medical Center will provide, as appropriate, male and female physicians at a location and time determined by The Nebraska Medical Center for the purpose of conducting athletic physical examinations and providing certain other coverage. All physicians furnishing Physician Services shall observe protocols with respect to the wearing of examination gloves and the like, as shall be established from time to time by The Nebraska Medical Center. No physical examinations so conducted shall have as a component the collection of urine specimens.
3. The fees for the Services to be paid by School to The Nebraska Medical Center are those specified on Exhibit "B" hereto. All fees collected from students by School shall be remitted to The Nebraska Medical Center within thirty (30) days of the date of billing by The Nebraska Medical Center to School, or at the request of the School, The Nebraska Medical Center shall bill and collect from students of the School any fees associated with the Physician Services and may remit to School a service charge with respect to the overhead of the School with respect to Physician's Services.

4. In no event shall School have any duty or obligation to recommend or refer any student or to recommend or refer any patient to Physicians furnishing Physician Services or to The Nebraska Medical Center, and The Nebraska Medical Center understands that it is the policy of the School to refer students to his or her regular physician.

5. Nothing in this Agreement shall constitute The Nebraska Medical Center or its physicians furnishing Physician's Services under this Agreement joint venturers or otherwise associated, except as provided in this Agreement.

6. If indicated on Exhibit "A", The Nebraska Medical Center will assist School in the development of a student/trainer program. Supervision of student/trainers shall be the responsibility of School.

7. To the extent of its policies of insurance as provided in this paragraph, The Nebraska Medical Center will indemnify and hold School harmless from and against any and all liabilities, claims and defenses arising from or relating to the Services. In connection therewith, The Nebraska Medical Center agrees to carry, or cause to be carried, policies of general and professional liability insurance in amounts and with companies licensed to do business in the State of Nebraska and deemed necessary by it.

8. To the extent of its policies of insurance as provided in this paragraph, the School will indemnify and hold The Nebraska Medical Center harmless from and against any and all liabilities, claims and defenses arising from or relating to its activities and those of its agents, employees, and independent contractors. In connection therewith, the School agrees to carry, or cause to be carried, appropriate policies of general liability insurance and specific coverages as shall be necessary for sound business practices of School.

9. Upon thirty (30) days notice to School, The Nebraska Medical Center may assign this agreement to any person or entity. Upon such assignment, any liability for performance hereunder or growing out of this Agreement shall be solely that of the assignee from and after the date of such assignment.

10. Either School or The Nebraska Medical Center may terminate this Agreement upon submitting sixty (60) days written notice of termination to the other.

DEPARTMENT: Office of the Superintendent

TITLE AND BRIEF DESCRIPTION: Legislative Update for the 100th Legislature.

ACTION DESIRED: APPROVAL ____ DISCUSSION ____ INFORMATION ONLY XX

Issues and Happenings

There is a lot of activity behind the scenes on LB 641 and very little on the bill itself. We have still not seen a draft of the language of the bill. The outline is all we have and everyone is expressing their frustration - including the Governor and the Speaker, who have both been working behind the scenes as well. The last week will be stormy.

The school breakfast reimbursement bill (LB 73) and the bill to create the SPED task force (LB 316) are up for final reading.

The Class I bill was discussed on Tuesday, May 1st. Supporters of Class I schools failed on an amendment that would have put them back as they were. They had 18 votes on that amendment.

Select File debate is coming for LB 603 that changes the formula for funding ESUs. It is still unclear if the necessary funding for this bill will remain in tact. We support this bill if it is funded. If no additional funds are appropriated, we have problems because it will shift money from the east ESUs to the west ESUs.

Dates and Reminders

The Legislature is in recess on May 11, 14, 25 and May 28 (Memorial Day). The last day of the session is May 31st.

Prioritized Legislation we are tracking:

Learning Community

- LB 547 (Kopplin) **Not prioritized**- Create Nebraska Student Advantage Act (Metro Schools Bill).
- LB 641 (Raikes – **Prioritized by the Education Committee**) Divide a learning community into separate education centers and establish procedures. This bill will likely include some provisions of LB 547.

Calendar/Curriculum

- LB 205 (Howard) requires schools to adopt a bullying policy.
- LB 316 (**Prioritized by Friend**) – Create the Special Education Services Task Force
- LB 653 (Raikes – **Prioritized by the Performance Audit Committee**) – Implements a statewide system for assessment of student learning and for reporting

ESUs

- LB 603 (**Prioritized by Raikes**) Change core services and technology funding provisions relating to educational service units

Class I Schools

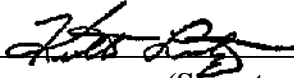

- LB 658 (Raikes - **Prioritized by Flood**) Change provisions for Class I and Class VI school districts

Miscellaneous

- LB 57 (**Prioritized by Nantkes**) Allows fair share contributions for labor representation by labor organizations.
- LB 73 (**Prioritized by McGill**) School breakfast reimbursements (requires appropriation for breakfast programs).
- LB 144 (**Prioritized by the Speaker**) Adopt the Hepatitis C Education and Prevention Act
- LB 389 (**Prioritized by the Speaker**) Change provisions relating to public records
- LB 564 (**Prioritized by Aguilar**) Change the Recreational Liability Act.
- LB 596 (**Prioritized by Kopplin**) Change retirement benefits and annuity payments for school employees
- LB 622 (**Prioritized by the Speaker**) Requires training courses in public records and the Open Meetings Act for all members of a public body, officers and employees.
- LB 651 (**Prioritized by the Education Committee**) – Change and eliminate education provisions

AGENDA SUMMARY SHEET

AGENDA ITEM: Parent Surveys

Meeting Date: 5-7-07

Department: Planning, Evaluation & Information Services.

Title and Brief Description: A randomly selected sample of 3,275 parents were mailed the Effective Schools Survey. There were 1,305 returns for an overall return rate of 40% (43% at the elementary level, 40% at the middle level and 35% at the high school level). On the item "what grade would you give the school?" 91.3% of parents gave a grade of A or B with 62.8% giving the grade of A.

Action Desired: Approval ___ Discussion x Information Only ___

Background: This parent survey is part of the Effective Schools Battery which is also administered to support staff, teachers, and students.

Options/Alternatives Considered: N.A.

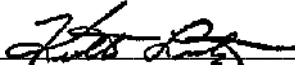

Recommendations: These data become a major part of the environmental scan which is carried out for operational and strategic planning. Each school receives this same data specific to their population.

Strategic Plan Reference: To meet the mission of the district.

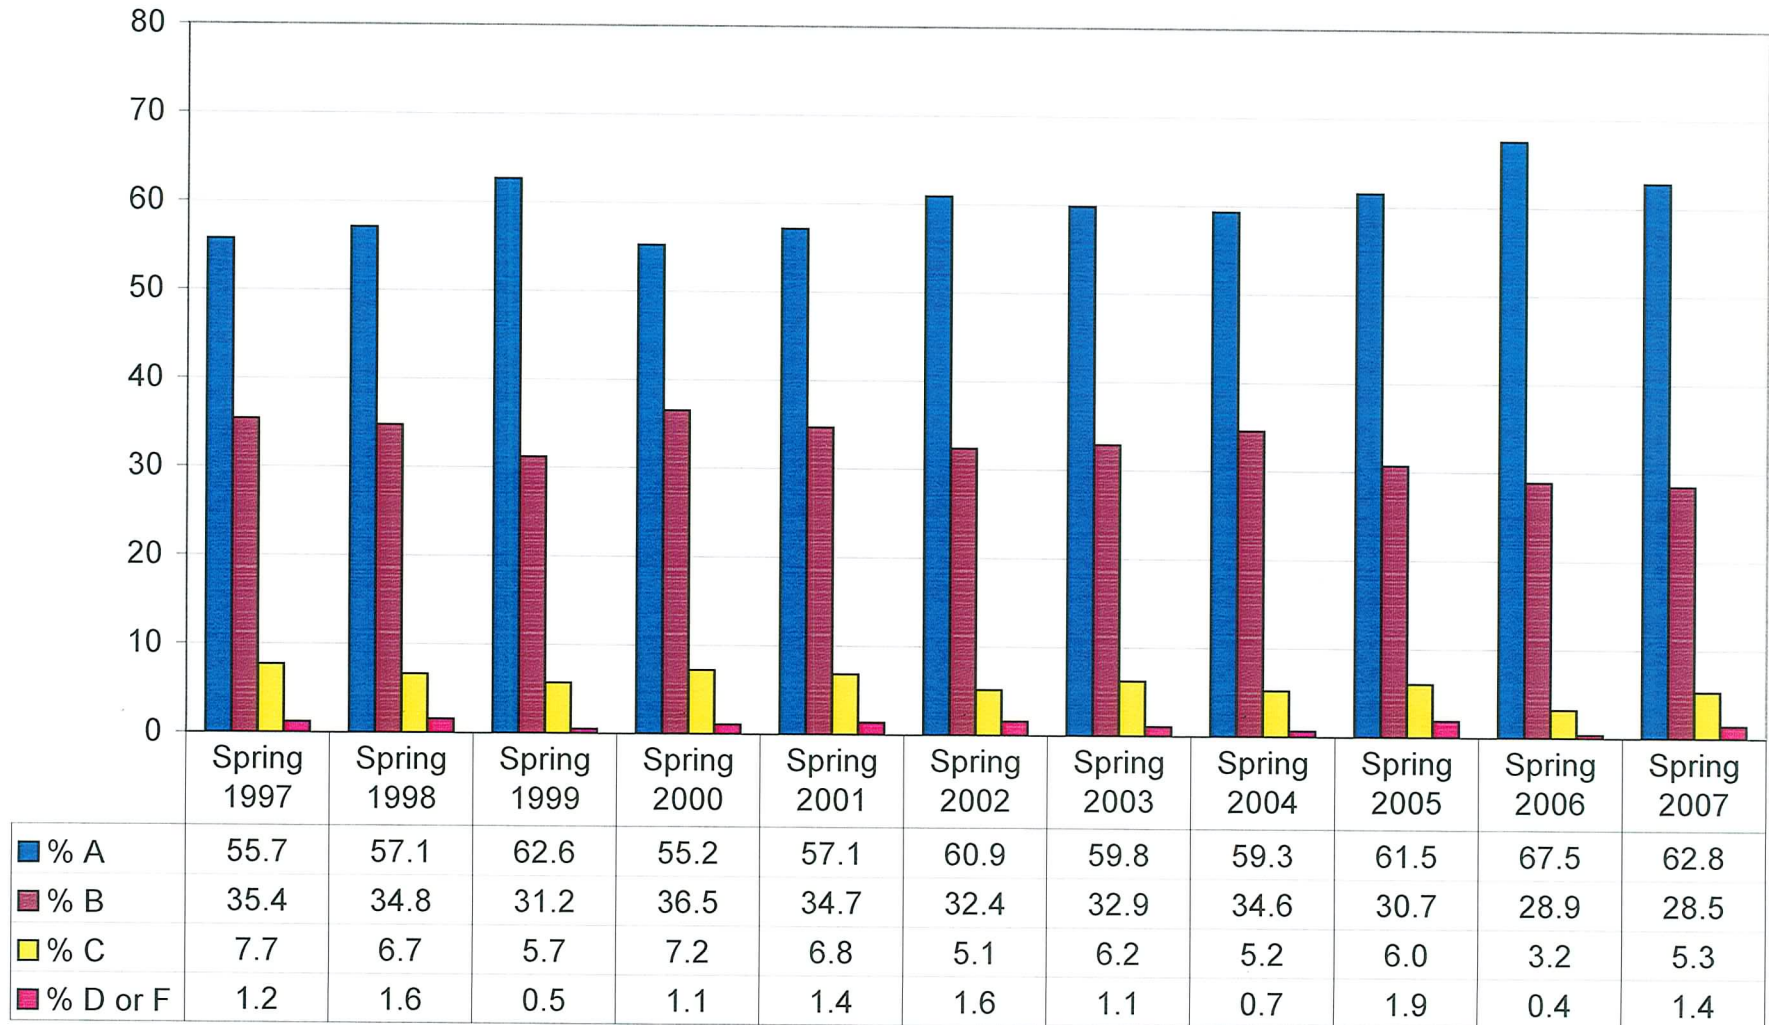

Implications of Adoption/Rejection: N.A.

Timeline: Use data in planning for 2007-2008

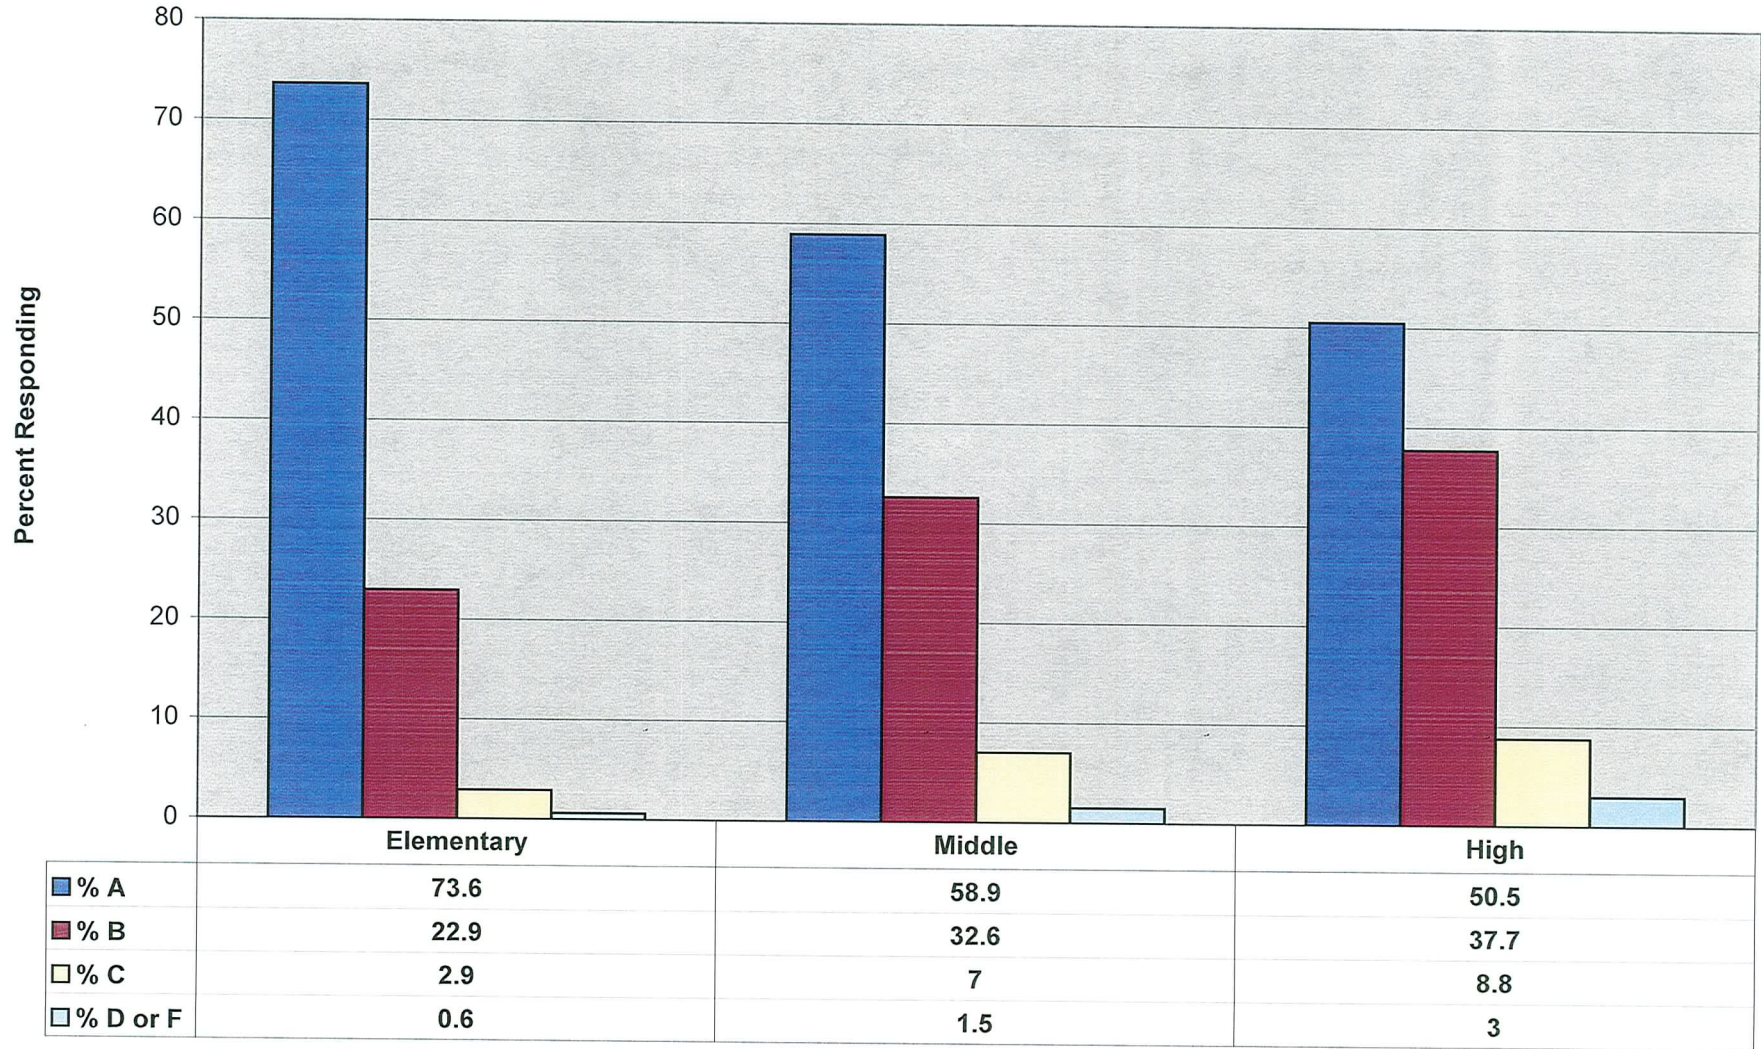

Responsible Persons: Jon Lopez

Superintendent's Signature:  _____

Millard Public Schools Foundation Summaries of 2007 Site Plan Grants

Site Plan Grant applications were based on need identified in each building's strategic planning process.

A total of \$565,754 was requested. The amount of funding available and awarded is \$280,000 (double previous years). Five grants are multi-year programs.

Ackerman: \$11,778

Part I. Family Night at the Library

Applicants: Michelle Waters, Carrie Borner, Tara Fabian, Rickie Engel & Rachelle Pechacek

Parents are an integral part of the learning system for our students. Research shows the more parents are involved in their child's education the more successful the child will be in school. The purpose of the Family Night at the Library is to give the parents and students at our school the opportunity to enhance their love of reading. Families will be invited to read together, listen to book talks, learn about authors, watch book reviews created by our students, visit reading websites, and receive reading incentives provided by our PTO. These nights will model to families the importance of reading and how they can help their child become better readers. The nights will educate parents on the variety of genres and authors their child might enjoy learning more about. The parents will also get an opportunity to preview educational software and websites to help extend their child's learning.

Part II. Math Nights

Applicants: Lyn Pahls, Lauri Cork, Jackie Clarke

Math Nights for parents and students, which has benefited so many families these past three school years. By providing specific information and activities to assist students in developing math skills, we hope to continue to increase parental understanding and involvement in their child's math abilities. Through this project, where families can have fun while learning math, ELO scores should increase due to more purposeful practice at home. New students and their parents will become more quickly acquainted with our newly implemented math program and feel more comfortable about math.

Aldrich: \$9,291

Planning For Global Learners

Applicants: Sharon Epstein & Susie Melliger

Provides summer salary for 19 teachers for IB program planner writing.

Aldrich Elementary School is preparing students to become active, inquiring and compassionate life-long learners. Through the development of specialized lesson planners which could be used in international schools throughout the world, teachers will be able to better equip our students with the skills they need in order to function in a global society. The planners will focus on the total growth of the child which includes teaching students positive attitudes that will be reflected in the global citizens that they become.

Andersen Middle: \$31,440

Increasing Engagement

Applicants: Melissa Byington & Jeff Alfrey

The focus of this grant is to increase student and staff engagement. Educational research and our school data show that one of the most significant factors infringing on student success is lost learning time due to incomplete homework. The primary portion of this grant addresses a way to provide additional time, support, and direction on a daily basis for struggling students. “9th” period will provide an opportunity for students to complete late homework on a daily basis after school.

The second part of this grant addresses building a positive school environment, which is a significant part of increasing student and staff engagement by use of recognition programs, increased communication via website, enrichment opportunities, and building a positive physical working environment for both.

Black Elk: \$4,634

R.E.A.C.H.

Applicants: Kevin Chick & Shari Johnson

Reteach, Enrich, Assess, Collaborate, and Have Fun! Academic growth for all students is the goal of R.E.A.C.H. time. Teachers, parents, specialists, and paras combine their talents and descend upon a grade level to implement differentiated and need based activities and instruction to ensure academic success and growth for all! Over the course of the next year, we would like to expand our R.E.A.C.H. program to summer months and make it better by increased planning by teachers and more involvement from the community. We can R.E.A.C.H. all students at Black Elk!

Bryan: \$22,591

Kindergarten Jump Start, Summer Fun, and Collaborative Counselor

Applicants: Barbara Rothenberg

The Kindergarten Jump Start program is intended to assist incoming kindergarten parents and students in making the transition to school. Summer Fun is developed to provide all pre-K thru 5th grade students an opportunity to continue learning during the summer. The program will invite students who need intensive remediation/instruction to meet the district ELO’s or to improve from the barely proficient category to proficient. The summer bus will transport students from our at risk residential location (too far to walk) to and from school during the 14 days of summer school to increase attendance for these targeted students.

Increased Counselor time fits with both projects. We would add one day to the school counselor’s current 0.5 position so that she can support parents and invite them to participate more actively in their student’s education.

Central Middle: \$17,045

Building Assets in Students at Central Middle School

Applicants: Beth Balkus, Jill Nuismer, Jeri List and Lori Umstead

Through studying thousands of young people from across the country, the Search Institute has found 40 factors that are essential to young people's success. These 40 Developmental Assets represent the opportunities, skills, relationships, values, and self-perceptions that all young people need in their lives. Research shows a direct correlation between the number of assets students have and their academic achievement and positive behaviors. The intent of our project is to build the number of assets our students have as a means to increase student achievement and off-set the social issues that negatively affect student behavior and learning.

Cody: \$12,834

Immediate Study Center-Cody Leadership Development Project

Applicants: Jim Gates & Julie Sparks

The program will support our mission to 'insure that each student achieves academic and personal success by creating an environment of enthusiasm for lifelong learning.' The first, an after school intermediate study center, has been operating since 1994. The second, Cody's Leadership Development Project, implements the philosophies of the Nebraska Human Resources Institute.

Disney : \$4,639

One School, One Community; Closing the Literacy Gap

Applicants: Mark Schultze, Paul Schulte, Laurie Fitzpatrick and Susan Stalnaker

Our project is designed to bring families together at home and at school through a variety of learning activities. These activities will include a "One School~ One Book" project and Family Night Celebration, clubs offered outside the school day, and parent education classes. All activities are designed to strengthen the learning partnership between home and school.

High Ability Learners: \$15,035

Middle School High Ability Learners' Seminars

Applicants: Laurie Brodeur and Kathie Guinan

HAL Seminars are one or two-day activities for middle school students identified as high-ability learners. The seminars revolve around various themes that can be broadly categorized as having either a math/science or humanities/arts focus. Most seminars generally involve an initial orientation and presentation of relevant content, then a subsequent transition to one or more team-bases activities involving the solution of one or more problems related to the central theme. Often, a trip to a facility related to the theme culminates the seminar.

Hitchcock: \$5,225

Part I. Every Child, Every Day!

Applicants: Mandy Johnson, Pam Ehly, Patti Long, Jodie Critser, Julie Schneider and Dan Allan

To ensure a successful transition of the multi-categorical special education program into the Hitchcock community by providing the opportunity for staff development and collaboration in the articulation of common goals and best instructional practices for inclusion prior to the beginning of the 2007-2008 school year.

Part II. Partnering with Parents

Applicants: Mandy Johnson and Pam Ehly

Research shows that students are most successful when there is a partnership between school and the family. Partnering with Parents is our way to get families involved in the school's learning activities in an enjoyable and engaging manner. Family nights will be designed using unique, hands-on activities tied to the curriculum and enabling skills at each grade level. Each grade level will select a curricular area, plan the parent partner activities for the evening that support specific outcomes, and facilitate the event.

Part III. Habit Club

Applicants: Amy Kaup and Anne Miller

This will be an approach for speech-language impaired students who can say their articulation sounds accurately in words, but have not carried correct production over into the classroom, spontaneous speech or conversational speech. By pairing motor movement with mass practice, students will learn to use correct sound production with decreased attention and thus production becomes automatic. These opportunities will help students with generalization and carryover to make better use of their time in Special Education. There will be 'motor' centers where they can practice their articulation with a gross or fine motor activity and then move onto another center for more practice. The 'mass' practice will help them learn to self-monitor, speak and do other activities and learn to better multi task while maintaining developmentally appropriate speech.

Holling Heights: \$20,800

Stretch the Learning

Applicants: Terry Houlton

Some of these learning opportunities are related to re-organizing and supporting students during the traditional instructional day and others are related to stretching a student's day to extend learning opportunities. The project plan also has areas that we feel will increase parent and community engagement.

Kiewit Middle: \$12,380

TEAM – Together Everyone Achieves More

Applicants: Lori Jasa

This proposal is to connect middle level students and their families to the excitement of learning. We will implement a tri-level support program using challenging and diverse activities to educationally remediate and enrich students' learning both during and beyond the normal school day. Enriched educational experiences will be offered after school, evenings, and during the summer to develop learning, expose students to new experiences, teach life skills, support and expand literacy and general studies, increase parent and community involvements, and instill a love of learning.

Montclair: \$5,745

I Can H.E.L.P. – Hands Extended Linking People

Applicants: Kendall Morrisey

The 'I Can H.E.L.P. – Hands Extended Linking People' program continues the service-learning program for a fourth and fifth grade Montessori classroom, serves as a template for incorporating service-learning into a 600- student elementary school, and builds a resource center of materials, instructional supplies, and mentors for teachers throughout the district.

Morton: \$5,745

Kids Summer Success

Applicants: Sara Lorentzen

Intent is to promote and extend learning during the summer weeks for students demonstrating a need in math. This may include students who need support in passing Essential Learner Outcomes assessments or have difficulty maintaining academic expectations within the classroom. It is our hope that this will assist children to be better prepared and ready to learn as they return to school in the fall.

North High School: \$13,086

Pyramid of Interventions

Applicants: Greg Tiemann, David Brandt, Julie Kemp & Loel Schettler

The Millard North High School Pyramid of Interventions will provide a framework and a step by step process for addressing the needs of new students, at-risk students, and students who are not living up to their potential in school. The purpose of the Pyramid of Interventions is to provide various resources to a wide variety of students and give them the opportunity to be successful. The Pyramid of Interventions is a wide encompassing tool that will address the transition of new students into our building and the programs that will be offered to students who are not academically successful. Ultimately, the Pyramid of Interventions is the way that Millard North will conduct business when it comes to student achievement.

Reagan: \$23,140

Increasing Student Achievement through an Increase in Student Assets

Applicants: Nila Nielsen, Jaime Bizel & Julia Siniard

Young people need positive external supports and internal strengths to succeed. Research shows the more developmental assets a young person has, the better they do academically. Forty key assets have been identified for elementary age children. Examples included a commitment to learning, responsibility, constructive use of time, etc. Through a joint effort of home, school, and community, our students will be supported as they build and strengthen the personal assets that will help them do well in school and become productive citizens. This grant will provide the necessary components of 1) parent/community education of the assets, 2) enriched student opportunities based on individual goals, and 3) additional academic support for at-risk learners.

Rockwell: \$15,450

Rockwell Rockin' Writers

Applicants: Jerri Wesley, Cindy Niebur, Lisa Kallman, Pam Welch, Bridgette Topping & Deb Knudsen

Rockwell Rockin' Writers Program will be developed to provide additional instruction, enrichment experiences, and encourage students to become 'life long' writers through the development of programs for all students outside the school day, prior to the beginning of the school year and at home on a regular basis. Our goal is to motivate our students and make writing fun and meaningful, while continuing to provide instruction in a variety of ways. By providing this additional practice, we will help students polish their basic writing skills so that all students will be able to excel in written expression.

Russell Middle: \$4,406

Get Ahead Middle School Transition Program

Applicants: Carol Groseth

Get Ahead is to provide learning opportunities for students at risk of failing or having difficulties adjusting to middle school. Fifth grade students in the program will review basic skills in core subjects, practice study and organizational skills and work with schedules, locker combinations and layout of the school building. The program's purpose is to provide participants with a sense of increased confidence and security in the vital transition from elementary to middle school.

Sandoz : \$18,120

Promote and Achieve

Applicants: Ellen Hartfield, Jeannie Noel & Debbie Ryckman

Promote achievement at Sandoz by fostering a culture of high expectations for all students by supporting opportunities to learn beyond the school day. The addition of: *A primary study center for first & second graders hosted after school three nights a week would allow more time for students to acquire necessary academic skills. *Academic enrichment clubs would allow additional challenging opportunities for all students including but not limited to Math Club, Novel Club, and Young Author's Club. *Late bus for students who could not participate without transportation provided would ensure opportunity equity in our Title I school where over 90% of our students qualify for bus service each school day. *Parent Education Coordinator to help plan quarterly literacy and math nights, helping parents learn to help their children at home.

South High: \$15,680

Connections to School = Achievement

Applicants: Heidi Weaver, Jeff Banker, Tim Seeger, Gene Adams & Jenna Lichter

Research indicates if a student is involved with activities or feels a connection to school he/she will perform better academically. We want to hook the students to school in a variety of avenues:

*Provide a Transition day for all freshmen to give them extra support to start their high school career off on the right foot. *Offer an additional club, Game Group, to encourage students to become connected to school. This group would encourage students to think outside the box and help students improve communication and cooperation skills. *Add a hands-on robotics project to Comprehensive Metals Class. The students who take this class tend to be less successful in academics. This project would incorporate science and mathematics while building a robot. *Give each student a school planner. The planners would be used to set goals, track learning and inform students of school events and dates.

Part I. Asset Development: Changing Our Conversations With Students and Families

Applicants: Scott Butler

The 40 Developmental Asset Framework provides a research backed way of building strengths (assets) in young people. Students with more assets do better in indicators of academic and personal success. This project will help us create a more intentional asset building approach in our work with students and their families.

Part II. PSAT Prep

Applicants: Kathy Ryan, Linda Brewer & Debbie Finnicum

The project will increase the number of students from our school who qualify as National Merit Semifinalists by providing additional study and preparation classes. Students who take the PSAT/NMSQT their junior year can be considered for the National Merit Scholarship program. This is an annual academic competition for recognition and scholarships which is open to all high school juniors who meet published entry requirements (requirement cut-off scores change each year). The semifinalists named in each year's Merit Scholarship Competition show exceptional academic ability and potential for success in rigorous college studies.

Pat II. Summer Science Institute for Learning 2008

Applicants: Earlene Uhrig, Megan Hylok, James Johnston & Mark Kevan

2008 Summer Science Institute for high school students will consist of unique mini-course opportunities, each being conducive to life-long learning, problem-solving, and career exploration. The four mini-course options proposed for the summer of 2008 will be (1) Functional Morphology, using extinct and living species comparisons; (2) Environmental Field Studies, combining a week of classroom work in Millard with a week of field research at Andros Island; (3) Health Occupations, combining two weeks of skills learned from health field professionals with two career seminar fieldtrips; (4) Organic Chemistry, combining extended content with lab techniques and a pharmaceutical lab fieldtrip.

Wheeler : \$15,060

S.T.E.P.S

Applicants: Andy DeFreece & Carrie Novotny-Buss

The implementation of five initiatives rooted in Wheeler's site-based plan. (S) gives students a jump-start on their learning for the upcoming school year and provides them with specific interventions to meet district standards in reading. (T) gives teachers training for implementation of an inclusion model for students with special education needs. (E) involves the entire school community in a project that will create an outdoor classroom where students, staff and families can explore life science concepts. (P) provides parent training on specific grade level learning outcomes so that families can better support students at home. (S) creates a social support system for students who demonstrate at-risk behaviors.

Workshops for Supporting Reading and Writing

Applicants: Susan Kelley

Workshops provided to students can support and extend learning in the areas of reading and writing, which are critical at the elementary level. Three different workshop formats will involve students at various grade levels to ensure that students are given additional opportunities to learn and practice reading and writing.

Elementary School After-School Programs

This will be the fourth year of funding after-school “Study Centers” in all Millard elementary schools. Each building designs its own program to provide a resource to students who need a tutor during after-school hours, or who simply desire a “quiet place” to go to complete homework or read. The Study Centers are open to students in the Kids Network program, as well as, students not enrolled in Kids Network.

This program is intended to help address Millard Public Schools’ commitment to give all students who are at risk of not meeting the Essential Learner Outcomes multiple re-teaching opportunities that will enable them to succeed.
