Mrs. McGill Johnson announced this is the proper time for public questions and comments on agenda items only. There were no requests to speak on agenda items.

Motion was made by Mike Kennedy, seconded by Linda Poole, to approve the Board of Education minutes for May 1, 2023, and approve the bills and receive the treasurer's report and place on file. Voting in favor of said motion was: Mrs. Schoenberger, Mrs. Poole, Mrs. McGill Johnson, Mr. Pate, Mrs. Jolley, and Mr. Kennedy. Voting against were: None. Motion carried.

Superintendent's Comments:

Dr. Schwartz highlighted some of the amazing celebrations of our 1800+ graduates. Dr. Schwartz said that over 140 Millard South students received this associate's degree from Metropolitan Community College as part of the early college program. Dr. Schwartz said both of the State's Presidential Scholars were from Millard North, which is an extremely rare occurrence. Dr. Schwartz said that the first cohort of Millard West AP Capstone students will graduate this year. Dr. Schwartz also said we are excited for all of the end of the year festivities.

Board Comments:

Mrs. Jolley: None

Mr. Pate:

Mr. Pate thanked the Millard Public Schools Foundation for sponsoring the Employee Recognition Dinner. He said it was a great event.

Mr. Pate shared his concern with a recent Metropolitan Omaha Educational Consortium (MOEC) letter where they are listed as an organization who took a position in opposition of LB574 and LB575. Mr. Pate said that Millard Public Schools has never taken a position on these bills. Mr. Pate was approached by two senators regarding the position taken by MOEC and he feels that Millard is guilty by association since we are part of MOEC. Mr. Pate said that this is troubling. Mr. Pate shared the information that Dr. Schwartz provided the board after he researched the issue, which was that legislative topics are not the focal point of MOEC's work. The focus is on collective impact around issues like improving math, reading, pre-K services, student attendance, staff recruitment and retention, etc. Rarely do legislative topics come up in MOEC meetings, and LB 574/575 has never been part of a MOEC conversation nor has MOEC taken a position on any legislative bill that Dr. Schwartz is aware of. Mr. Pate said that he wants to go on record regarding what has happened concerning this situation. Mr.

Pate also said that he suggests that the district evaluate our association/partnership with MOEC. Mr. Pate also named the different organizations involved with MOEC.

President McGill Johnson asked Dr. Schwartz if he wanted to further comment on what he learned after Mr. Pate's comments.

Dr. Schwartz shared that the organization (MOEC) has not taken a position on the legislation. A member who was a non-school district employee signed on to the letter as to what they thought was their capacity as an individual. This individual did not intend to speak for the organization of MOEC. Having this person sign on to this letter was interpreted to mean that MOEC signed on as well. Dr. Schwartz indicated that he, nor any of the other superintendents on MOEC, were aware that the letter was out there until Mr. Pate shared it with him. As far as the MOEC organization is concerned, they have taken no position on this bill nor any other bill during this legislative session.

Mrs. McGill Johnson:

Mrs. McGill Johnson hopes the MOEC incident is used as a training opportunity for their organization.

Mrs. Poole:

Mrs. Poole that the Millard Public Schools Foundation for sponsoring the Employee Recognition Dinner. Mrs. Poole also thanked the Foundation for the amazing student scholarship event. Mrs. Poole thanked the entire staff and all the students for a fabulous year and she doesn't think it could have gone any better.

Mrs. Lisa Schoenberger:

Mrs. Schoenberger shared that this was the first Employee Recognition Dinner she has attended and it was an incredible experience. She also shared that May is full of all sorts of transitions such as graduation, retirements, kindergarten round ups, and the beginning of new eras.

Mr. Kennedy:

Mr. Kennedy said he too had a great time at the Employee Recognition Dinner. Mr. Kennedy congratulated Joe Vonderhaar, and Katie Holt on their new positions. Mr. Kennedy said that all the students honored here tonight show all the great things we are doing in public education. Mr. Kennedy said that many districts have issues across the state with things like transparency. Mr. Kennedy believes we need to work as a community to address some of the state wide issues.

D. Demonstration of Proficiency

Additional opportunities are available to demonstrate student proficiency.

After review of ACT[®] Assessment, Nebraska State Accountability Tests, or Pre-ACT[®] Assessment and one or more attempts on Essential Learner Outcome locally-developed assessments without achieving the College and Career Readiness metric, students, under building supervision, shall participate in a process, as provided in the District's Assessment Procedures, to demonstrate an appropriate level of proficiency in reading, writing, and/or math. A student who successfully meets the standards and requirements of a Demonstration of Proficiency shall have met one of the essential criteria for graduating from the Millard Public Schools. Mechanisms by which students may demonstrate proficiency include:

1. Performance portfolios comprised of District developed course assessment scores for reading, writing, and math.
2. Approved Advanced Placement course grades of a ~~“C”~~ “3” or higher or an approved AP exam score of a 2 or higher for an AP English course as evidence of Reading and Writing competency, or grades of a ~~“C”~~ “3” or higher or an AP exam score of a 2 or higher for an AP mathematics exam. All AP courses and exams used for this purpose shall have been provided by and/or taken while enrolled in an accredited institution.
3. Approved dual enrollment course grades as evidence of Reading, Writing, or Mathematics competencies e.g. the Metropolitan Community College (MCC) Developmental Math Course.
4. Measures of Academic Progress (MAP) RIT score in high school Reading or Mathematics comparable to near College and Career Ready ACT score.
5. [Early Advanced \(4\) or Advanced \(5\) scores on the English Language Proficiency Assessment \(ELPA21\) in the reading \(for reading requirement\) or writing \(for writing requirement\) domains.](#)

IV. District Procedures for Opting Out of Recommended Reteaching

- A. Should a student participating in the Assessment Program not meet the requisite College and Career Readiness metric and be recommended for one of the problem-solving and intervention strategies listed above, including placement in a specific required course, the student's parent(s)/guardian(s) shall have the right to refuse placement of their student within the recommended strategy and either:
 1. Request an alternative teaching strategy; or
 2. Refuse such placement at all.
- B. Such requests for an alternative teaching strategy shall be submitted in writing to the appropriate building principal. The building principal or designee shall respond within thirty (30) calendar days.

V. District Procedures for New Students

- A. At the high school level, incoming students who enroll after district administration of Pre-ACT[®]

or ACT[®] Assessment may provide verified results of these assessments from prior administration. If verified results are not provided, students will take all high school locally-developed Essential Learner Outcome assessments.

VI. District Procedures for Students with Disabilities and EL Students

Pursuant to the Assessment Accommodations section of the District's Assessment Procedures Manual, all students are to participate in the District's regular assessments and the only students to be excluded are those with a disability or language proficiency which has excluded the student from the norm sample of the standardized assessment, and/or those students who have not participated in the area and/or level of the curriculum that the assessment measures. Even for such students, they are not totally exempt and they must take an alternate assessment.

A. Procedures for Students with Disabilities

The preceding assessments may not be appropriate for some students with disabilities whose individualized education programs prescribe a different course of instruction and/or different requirements for graduation. The participation of students with disabilities, the provision of accommodations, and the provision of alternate assessments will be in accordance with the District's Assessment Procedures, which include the process for identifying appropriate assessment accommodations and alternate assessments.

B. Procedure for EL Students

Students must meet all graduation requirements in the English language to earn a Millard Public Schools diploma. EL students who have not demonstrated adequate English language proficiencies may postpone testing according to district procedures.

VII. Student's Right to Appeal

A. Students who have not achieved the necessary high school College and Career Readiness metrics as approved by the Millard Board of Education may appeal the denial of a diploma.

B. A student may appeal the denial of a diploma only on the grounds that the student's failure to achieve the required cutscore is due to:

1. The failure of the District to provide a reasonable accommodation that was previously requested by the student and denied by the District.
2. The failure of the District to provide an alternate assessment or approve a demonstration of proficiency, which had been previously requested by the student and denied by the District.

VIII. Procedures for Appeal

A. Within seven (7) days after the receipt of the notice that the student failed to achieve the cutscore required for graduation from the Millard Public Schools, a written notice of appeal shall be served upon the Superintendent of the Millard Public Schools or his/her designee. Such appeal shall set forth all of the reasons for the appeal as provided herein and shall set forth the relief sought by the student, parent(s) or guardian(s). Such notice of appeal may also include any additional information, which is relevant to the appeal.

B. Within seven (7) days after the receipt of the written notice of appeal and any supporting information relevant to the appeal, the Superintendent or designee shall consider and render a decision on the appeal based on whether the decision of the District was unreasonable. Such decision shall then be forwarded to the student's parent(s) and/or guardian(s) advising the student's parent(s) and/or guardian(s) of the basis for the Superintendent's decision and the

reasons therefore.

- C. Within seven (7) days after the receipt of the written notification from the Superintendent or the Superintendent's designee, a written request may be made by the student, parent(s), or guardian(s) to the secretary of the Millard Board of Education or the Superintendent, or designee for a hearing before the Millard Board of Education, or a committee of the Board consisting of not less than two (2) members or more than three (3) members to be held on the issue whether the decision of the Superintendent or designee was unreasonable.
- D. Such hearing shall be held before the Millard Board of Education or committee within thirty (30) days of the date the request for hearing was received. If a hearing request is not received in a timely manner, the decision of the Superintendent or the Superintendent's designee shall be final.
- E. The student, parent(s) and/or guardian(s) shall be advised at least seven (7) days prior to the date of the hearing before the Board and such notification shall set forth the date, time, and place for the hearing before the Millard Board of Education or committee.
- F. The parties may, by mutual written agreement, extend the time for hearing or final determination.
- G. The student, parent(s), and/or guardian(s) shall have the right to be represented by legal counsel and shall have the opportunity to present such evidence that is material to the issue or issues stated in the appeal.
- H. The hearing shall be conducted in closed session and in accordance with the student privacy laws unless the student, parent(s), and/or guardian(s) shall request, in writing, that the hearing be held in open session. Any formal action of the Millard Board of Education or committee shall be taken in closed session unless such proceeding was requested by the student, parent(s), or guardian(s) to be held in open session.
- I. The decision of the Millard Board of Education or committee shall be by vote of a majority of the members of the Millard Board of Education and the Millard Board of Education or committee shall reduce its findings and decision to writing and provide the written findings and decision to the student, parent(s), and/or guardian(s) within ten (10) days of the hearing. When conducting such proceedings, the Millard Board of Education or committee shall be exercising a judicial function and deciding a dispute of adjudicative facts.

IX. Annual Review

This Rule shall be reviewed annually by the Educational Services Division and the Department of Assessment, Research, and Evaluation and brought to the Board of Education when changes are necessary.
